MARCH 2011

**WELCOME TO THE 2011 SEASON
OPENING DAY IS MARCH 16TH
CLEAN-UPS HAVE BEGUN**

Have you considered a new patio, water feature or outdoor kitchen?

Let us create your very own "stay-cation" right in your backyard. We can transform your yard into your very own resort

On April First we will begin fertilizing your lawns, as per N.Y.D.E.C. Regulations. If you have noticed any other Landscape companies applying fertilizer before April 1, please be aware that they are not complying with current law & regulations.

If you have not already made an appointment to have your sprinklers Turned on, then now would be a good time to do so
Making an appointment is easy!
Simply call our office to make an appointment
Or
Send us an E-Mail, and we will contact you.

Interesting Facts

Lawns need 1" to 1 1/2" of water per week to stay green.
Plant a few sprigs of dill near your tomato plants to prevent worms on your plants.

Please be aware that we have changed the format of our contract
In an attempt to simplify it. if you have any questions or concerns, please contact our office and we will be glad to assist you.

We want to know!
Is there something just not right with your property? Is there something you would like us to address ?
Please let us know! We want to hear from you!

Every garden is unique with a multitude of choices in soils, plants and themes. Finding your garden themes is as easy as seeing what brings a smile to your face. - Theresa Watkins
